A PIDDLING DETAIL TO BE SURE

Dear J18: I have a question that I am hoping you might be able to answer. Whenever I flip through a magazine such as yours, I am distracted by the nail polish adorning the fingernails of the ladies. Yes, it may seem like a piddling detail I know, but whenever there is a photograph depicting a lady pulling apart the lips of her most special place, forgive me but I cannot help but imagine the colored polish on her nails chipping and fragments of it ending up where it isn't supposed to be. I must confess to having the same concerns when I go out to eat and a waitress is flaunting hot pink fingernails or the like, I feel compelled to keep an eye out for the same colored flakes in my food. So my questions is this: why must all the ladies who pose naked polish their fingernails at all? Why not leave them natural and then they would not drag the viewer's attention away from the true focus of the photograph - their sweet, young, tight, moist sex? I eagerly await your answer. -Jude in MA

FUZZY... AND HOT

Dear JUST 18: Why don't you ever dress your models up in fuzzy animal costumes? I think it would be adorable and incredibly hot to see a bunch of sexy little gals all gussied up like bunnies getting it on in one big bunny orgy. They don't have to be full body costumes or anything (although I, personally, would have no problem with that), but maybe you could at least make their makeup pink and they could don ears and tails and such. -Larry in DE

JUST HIS TYPE

Dear JUST 18: Of all the girlie magazines in all the world, I like yours the very best. Every single girlie in there is exactly my type! Young and fresh and willing to fuck! Even the ones who are virgins want it, you can tell by the look in their eyes. I had sex with a virgin one time back in high school and I have been dying for another opportunity to deflower ever since. That is what I fixate on when I spend some time with a brand new issue of your great magazine. The idea that I am about to make love to one of the eighteen year old beauties inside and of course it will be her very first time.—Randolph in WV

STICKIN' IT TO 'EM

Dear JUST 18: I have a thing for blondes. I don't care whether or not they are naturally blonde or blonde with some help from a bottle, although a nice thick patch of curly golden pubes is always welcome. My first girlfriend was very fair and something about her has stuck with me all this time. I have stuck it to plenty of brunettes in my time and even a couple of redheads but when I'm with a blonde I get harder than a slab of bedrock. How about an all-blond issue? I know I cannot be the only one in the world who feels this way.—Rich in WA

NO DANGLE, NO FLOP

Dear JUST 18: There was a girl in one of your issues a ways back going by the name of Anastasia. Man she made my pecker hard. There wasn't anything in particular about her, except that she was so normal looking, so natural. She looks like someone I might run across in the supermarket or in a diner. She has a kind face and a bright, clear smile. Her pussy looks good to me too. It's all neat and tucked in with nothing dangling around or floppy. My god how I'd love to meet this girl in person. Sure I'd love to fuck her senseless but I feel like I might like to have a conversation with her as well. She has these itty bitsy little titties that I just know are hyper-sensitive. What I wouldn't give to pinch one of those with the fingers of one hand while stroking myself with my other hand. Then I'd fuck that tidy pussy hole of hers and make her pretty face scrunch up while she comes. Then she can suck my dick.—Lew in NH

YOUTH, BEAUTY AND BOOBS

Dear JUST 18: I love young girls, yes I do. I just wish that more of them came with big ol' jugs. That's my kryptonite, a young gal with huge knockers. It's not the most common thing. And I don't mean fake, man-made knockers, I mean the real thing. There was that Lucie who appeared in your magazine, a petite brunette by the looks of it. My god, does that gal have some heavenly breasts on her. That's exactly what I'm taking about. Youth, beauty and BOOBS. I'd like to see a whole lot more of her if you can arrange it. Titty fucking has got to be one of the greatest activities ever invented and That Lucie gal has a pair just made to wrap around a man's meat. I would titty fuck her so good and then eat her out, that gal wouldn't even know what hit her. More like Lucie!—Bud in Ft. Worth

**MADDIE
& TIM**

DELIA,

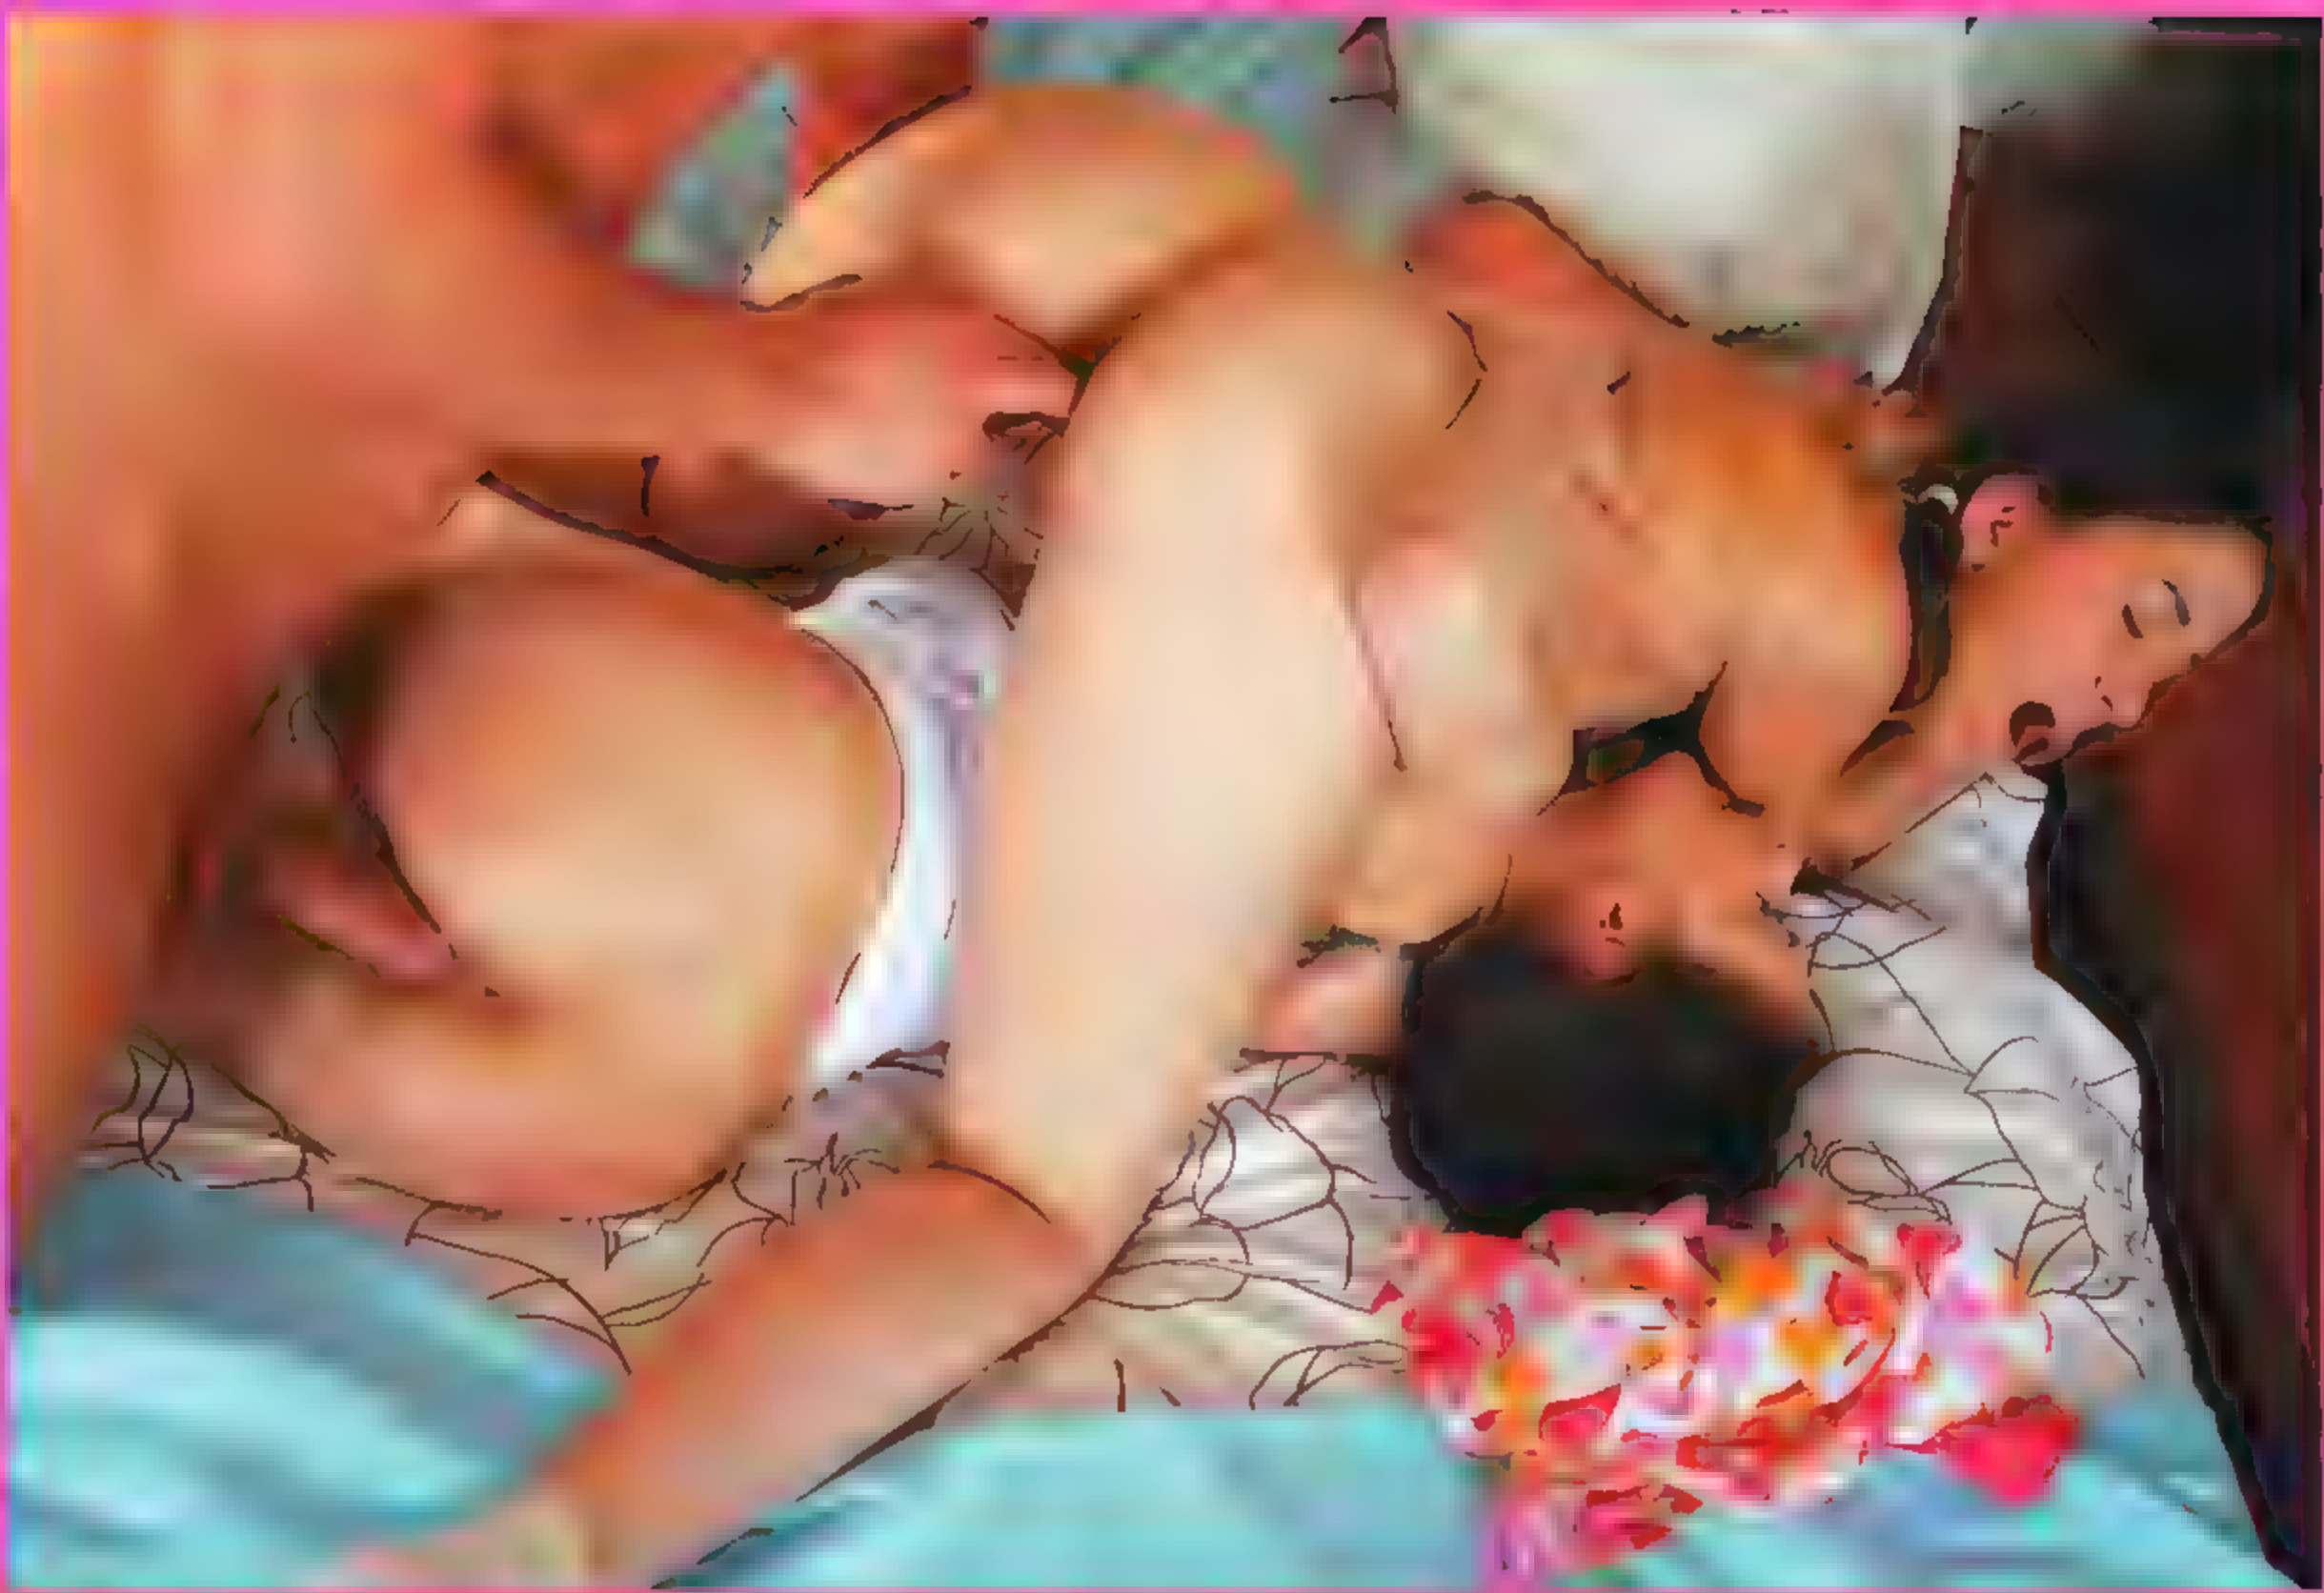

When I confessed to my pal Maddie that I had never handled an uncircumcised cock before, she insisted I come over for a quickie with her and her uncut BF Tim. I was all, Sure, why not? But when we were all ready to go and he whipped it out I was like, Woah! What a weird-looking dong! Maddie crawled right over to it with her mouth watering. She sort of scooted back the extra skin and started sucking. After that it looked way more normal so I took a lick and it tasted pretty great. Then Tim fucked Maddie right beside me and the sound of his pecker squishing in and out of her pussy drove me wild. When it was my turn boy was I ready! He felt so fantastic inside me I came right away and then he finished off on our faces. Now I can't wait to hook up with another anteater!

BELLA

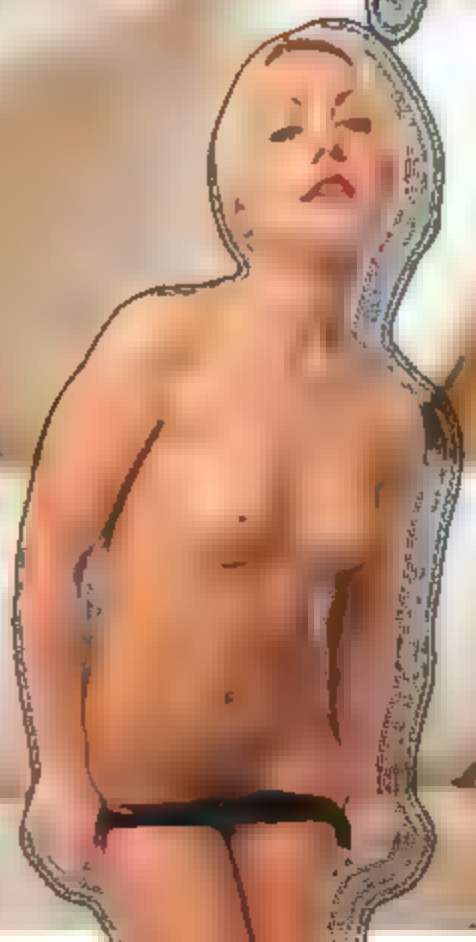

I am overwhelmed by male attention. I can't leave the house without grown men going out of their way to make fools of themselves by telling me how gorgeous I look or how they want to eat me out for hours or how they could give me the best orgasm of my life or other similar bullshit. They really should stop and think before they open their mouths. I already know I'm appealing—I turn myself on all the time. But I'm not about to get busy with any Tom, Dick or Harry who approaches me on the street. A girl's V-card is the most precious thing she's got, and I'm gonna be hanging on to mine for a while. It'll be a real special man that gets to hit this! But I do like flaunting my fine ass from time to time just to keep hearts—and other parts—throbbing. I guess that makes me a tease. 

She's saving that snatch but at least she's not hoarding the hotness!

THE GEEZER TEST

by Kassie Bloomklinger

I thought it was so cool that our neighbor Mr. Banksley was a porn writer. My parents didn't think it was cool, but what did they know? My mom is a big feminist and my father is a total wimp, agreeing with anything she says. Mom thought Mr. Banksley was wrong to write smut. "Smut held back women for centuries," she liked to say.

Me, I didn't agree. I was eighteen and two months old, finishing my senior year

at Gogol High, and my generation knew—and knew well, that smut was a cool part of existence. To be against smut was like so totally uncool. To be against smut was like to be against life, or to be against Chinese food or walling in the rain.

So when my mother dragged my father off on a Women's Rights Cruise and left me at home since I couldn't leave school because I had finals, I took the opportunity to get to know Mr. Banksley a little

sexes. One night, in fact, I helped him find the inspiration for *Boys*.

Mr. Banksley is up and down like a lot of people I've taken a lot of Advanced Placement literature courses so I know. Sometimes they feel up like they can do anything with words. Other times they're down and the whole word thing is a waste of time. Mr. Banksley was like that, moody, and once he was alone, well, sometimes he didn't have any more words to say. So he'd go to his room and let his words come out for him. When I saw Mr. Banksley going into his room, it was like he had the weight of the world on his shoulders. I asked what was wrong.

"Kassie, I think I've stayed too long at the fair. Maybe I just don't have it anymore. Maybe I'm all geezered out as a porn writer. Maybe I should start writing for senior citizen magazines."

"I'm sure it's just a temporary feeling, Mr. Banksley! You're not that old." And he wasn't. When I first met him in the courtyard of our apartment building, when he was sitting on a bench and I said "hello neighbor," he told me he was in his middle fifties. I asked an older guy friend who's in college already to get me a magazine Mr. Banksley wrote for, so I could read one of his stories, and he

sure was good at making up hot stuff! He didn't write like a geezer at all.

"Well, I feel old sometimes. Hard to keep up with the younger smut talent. I even hear myself thinking the word 'whippersnapper' more and more."

"What's a whippersnapper?" I asked.

"You see what I mean?" said Mr. Banksley. His face grew very long. "Even my vocabulary is ancient."

"Oh you silly, Mr. Banksley! I think I have to give you The Geezer Test.

Come into our apartment."

"What, and I should wait while your mother gets down her shotgun?"

"You're such a goof, Mr. Banksley. My dumb parents are on a dumb cruise. I am all alone because I have finals to study for."

"You poor orphan. Temporary orphan, I mean," said Mr. Banksley. A glimmer was coming into his eyes again.

"Come on, come on," I said, taking Mr. Banksley's hand and pulling him into our apartment. I shut the door and twisted the lock shut very dramatically.

"Okay, what's The Geezer Test?"

"First we go in my bedroom," I said.

"Uh-oh, I think I hear sirens."

"You silly! Relax. Don't you remember I just had an eighteenth birthday party here?"

"You're right," he said. "I do recall a number of

youths and maidens in a celebratory mood."

"You do talk old-fashioned sometimes. Are you a fan of Nathaniel Hawthorne?" I said, pulling Mr. Banksley into my bedroom. He didn't seem to mind him down on a chair opposite my bed. Then I unbuckled his belt, undid his zipper, and told him to take out his penis.

"You know, Kassie, this is the first time that something is happening to me that usually happens to characters in my stories."

"Ha-ha, and you know what they say—you never forget your first time!" Laughing, I jumped onto my bed. Standing on the mattress like it was a stage, I pulled off my top and slipped down my pants.

"I know I'm going to get punished for this," said Mr. Banksley. "Either in this life, or the next. And I don't even believe in an afterlife."

"They're going to set up Hell just for me."

Mr. Banksley was cracking me up so much, I could barely concentrate on taking off my bra and panties. I fell down on the bed laughing, my butt bouncing on the comforter as I undid the clasp of my bra.

"Oh dear, those are such lovely little titties," said Mr. Banksley. His cock was throbbing, and he had hardly even touched it yet. "Why did you ask me if I'm a fan of Hawthorne?"

"Because he was such a handsome writer and such a good one! I liked his story about Young Goodman Brown discovering all the sexy evil in the world."

"Is that what you're trying to do with me?" said Mr. Banksley. "Find evil?"

"Ha-ha, everything you say makes me laugh!" I slipped off my panties and tossed them at his crotch. The leg hole landed on his cock.

"I like this improvement on the game of Horseshoes," said Mr. Banksley. His fingers gently held my panties over his cock, and he began to stroke into the lacy nylon.

"But what should I know about The Geezer Test?"

"If you were old and useless, you wouldn't have such a nice stiffie," I said, laying back on the pillows and rubbing my pussy while I looked at his cock. "See, I'm testing whether you're a geezer like you say."

"What's the final proof?"

he said, his eyes roaming over my boobs and down my belly and over my pussy and then along my legs right down to my feet. It was like he was memorizing me.

"A big spurt of cream, Mr. Banksley," I whispered, my breath getting a little breathy, as I bit my lip and rubbed my nipples and stared at him while he stared at me.

"Isn't this keeping you from your studies?" he said, rubbing his balls and tugging at his Easter bonnet.

"All sudden, my orgasm was so fast, it felt dull," I said.

"You didn't get that from the website? His breath was coming faster, too."

I closed my eyes. My hands moved over my body and it felt so wonderful, knowing he was watching me. I don't know how to fuck properly. I met some guys at work who masturbated while they play with themselves. My generation is breaking it down for me. The new rules of sex are so simple.

I closed my fingers over my pussy and it felt real good. I dipped them deep and moved them around until I could feel that little spot that always made me feel so good. Opening my eyes, I saw Mr. Banksley leaning back in his chair, his legs stuck out straight in front of him as he stroked faster and faster. I liked that he made no move to come over and touch me. He seemed to understand what I wanted, what I would allow. He seemed to know the rules without hearing them. That REALLY made him not a geezer.

"Oh Kassie, my girl, you're irresistible!" he suddenly cried out, grunting as the cream shot up in a long curly line from his cocktip. He did better than a lot of porn guys I've seen on the Web! And the sight

of him did it for me. I leaned over on my side and, grabbing one titty while I rubbed my pussy, I felt my whole body blow up in an orgasm. I always close my eyes when I cum, and I'm always surprised when I don't see bits of myself all over the walls afterward—because I cum so hard.

"I suppose this," said Mr. Banksley, picking up the strings of cum from his crotch, "means I've passed the test?"

"That's the idea," I said, leaning back against the pil-

low and running my hand over my body. "And you passed The Gentleman's Test too."

"I'm a gentleman and a sleazeball," he said. "You got any tissue handy?"

After we cleaned up, I offered Mr. Banksley a beer, but he said that would be pushing his luck and he'd better get back to his apartment. And then my feelings were a little hurt, but I wasn't totally surprised, when he moved out of his apartment that weekend. But at least he stopped by to

explain. Turned out it was a sublet, but that wasn't the main reason he was going.

"Your mother is a dragon, and living next to you would be a recipe for my personal disaster. I've learned in life, my dear Kassie, that discretion is the better part of sleazebattery. But don't worry—you've given me enough inspiration that I'll keep cranking my smut for another couple of decades!"

Wow. I always thought it would be cool to be somebody's muse—and now I was!

I bet
she'd rather
be kissed on
the crotch
than on the
mouth!

Some of my sluttier friends are way more experienced than I am, but I've been told that I give a pretty good handy and that my BJs are awesome. Actually, I don't mind sucking dick as long as he doesn't expect me to swallow at the end because that's just nasty. I've been fucked a few times but never in my butthole. There's no way I'm doing THAT until I'm married. The thing I like best sex-wise is getting my pussy licked. Having my box munched gets me off like ten times in a row. My li'l nub gets so hot and swollen sometimes that all the guy needs to do is blow on it lightly and I'm off to orgasm city. Once I even let my friend Kimberly kiss my cooter and she ate me better than most boys I've been with. Basically, I don't really care who's down there as long as they make me cum. 😊

LEANNE &
CATHERINE

My friend Leanne jokes all the time that she's the president of the itty iitty titty committee, but the truth is she's way hot. Besides, who needs big floppy hooters, anyway? Her little nipplets are so sensitive it's incredible—if I pinch them just right I can make her cum. And as soon as Leanne cums once...well she always wants more. She gets so sopping wet that when I go to finger her pussy, I can practically fit my whole hand in! Whenever I do that she moans so loudly and bucks her hips so wildly that my own cunny starts to tingle with excitement. Feeling her sink her digits deep inside me and flutter them around is beyond intense. Sometimes I cum so hard I feel lightheaded afterwards! The only thing better is when she kisses my starfish then gently stretches it wide. Leanne likes having her ass played with, too. See, we don't need giant globes to have a good time! 🍆

If a friend's
in need, it's
always nice to
offer a helping
hand!

Heidi

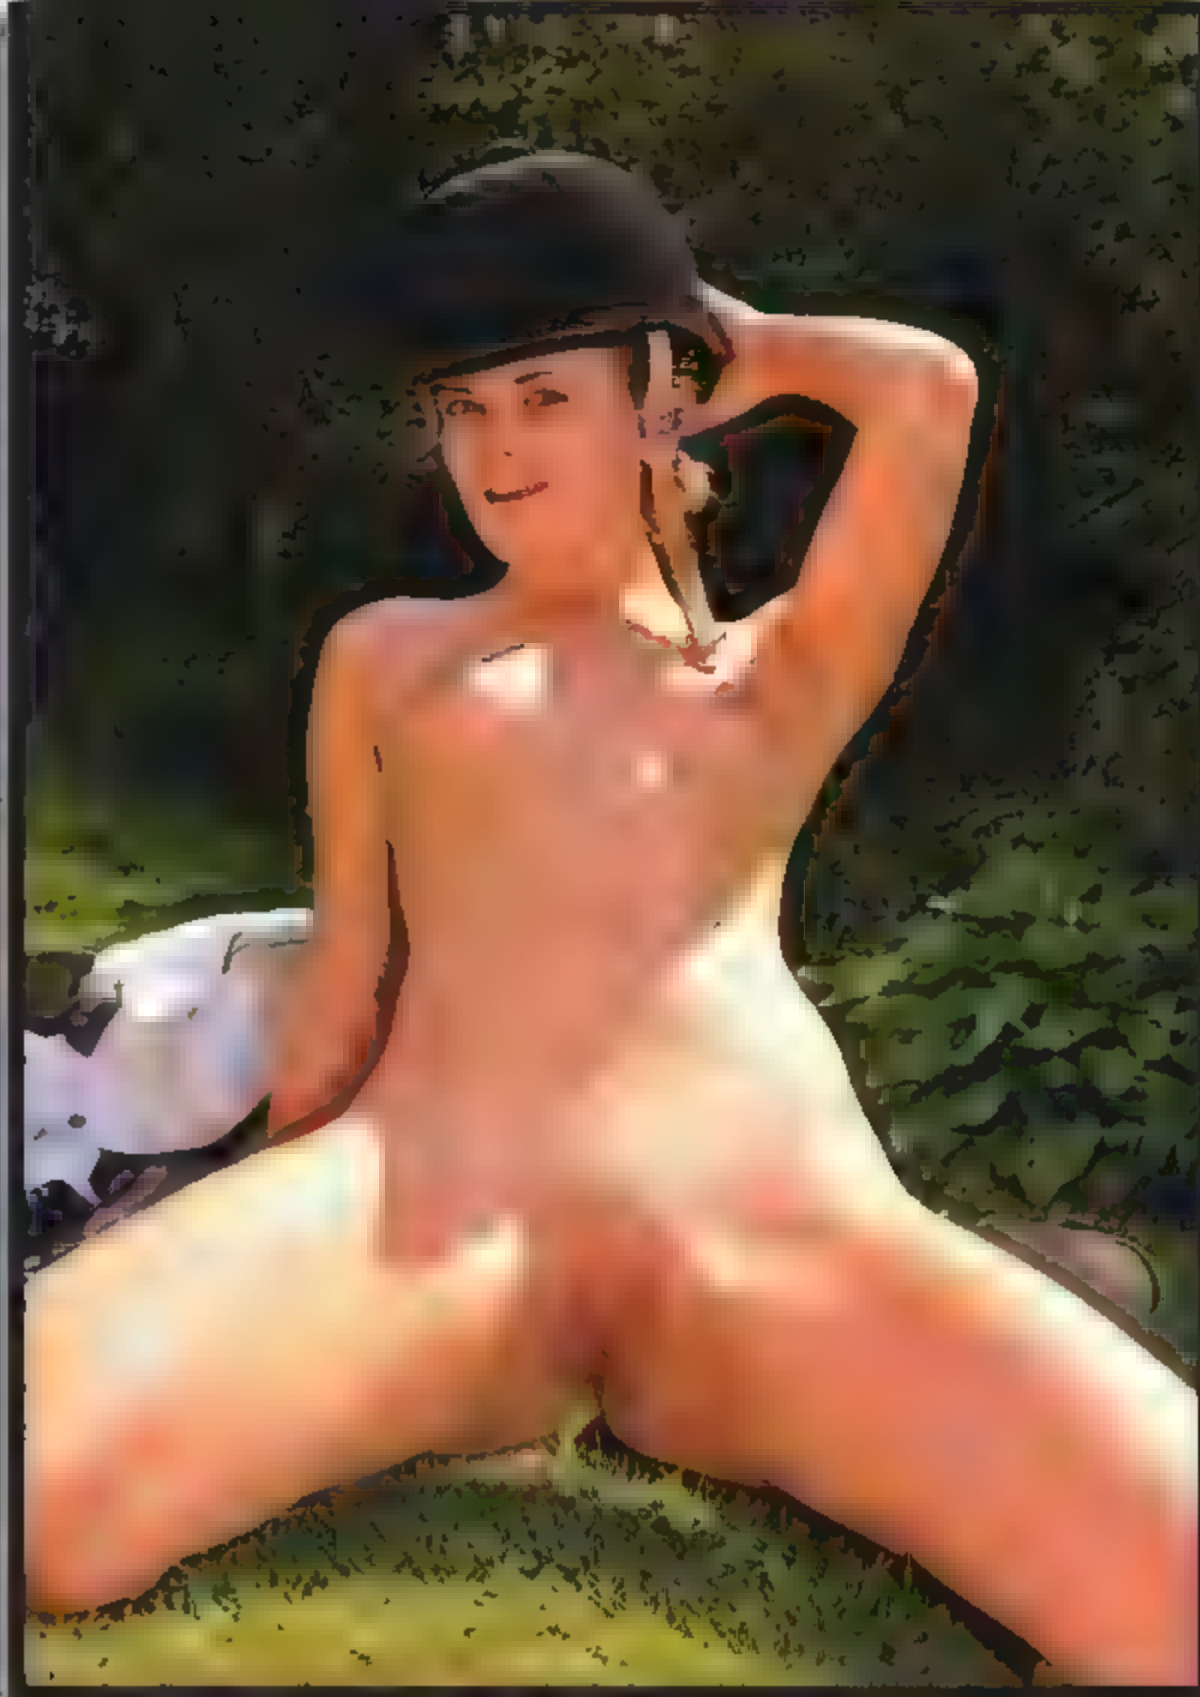

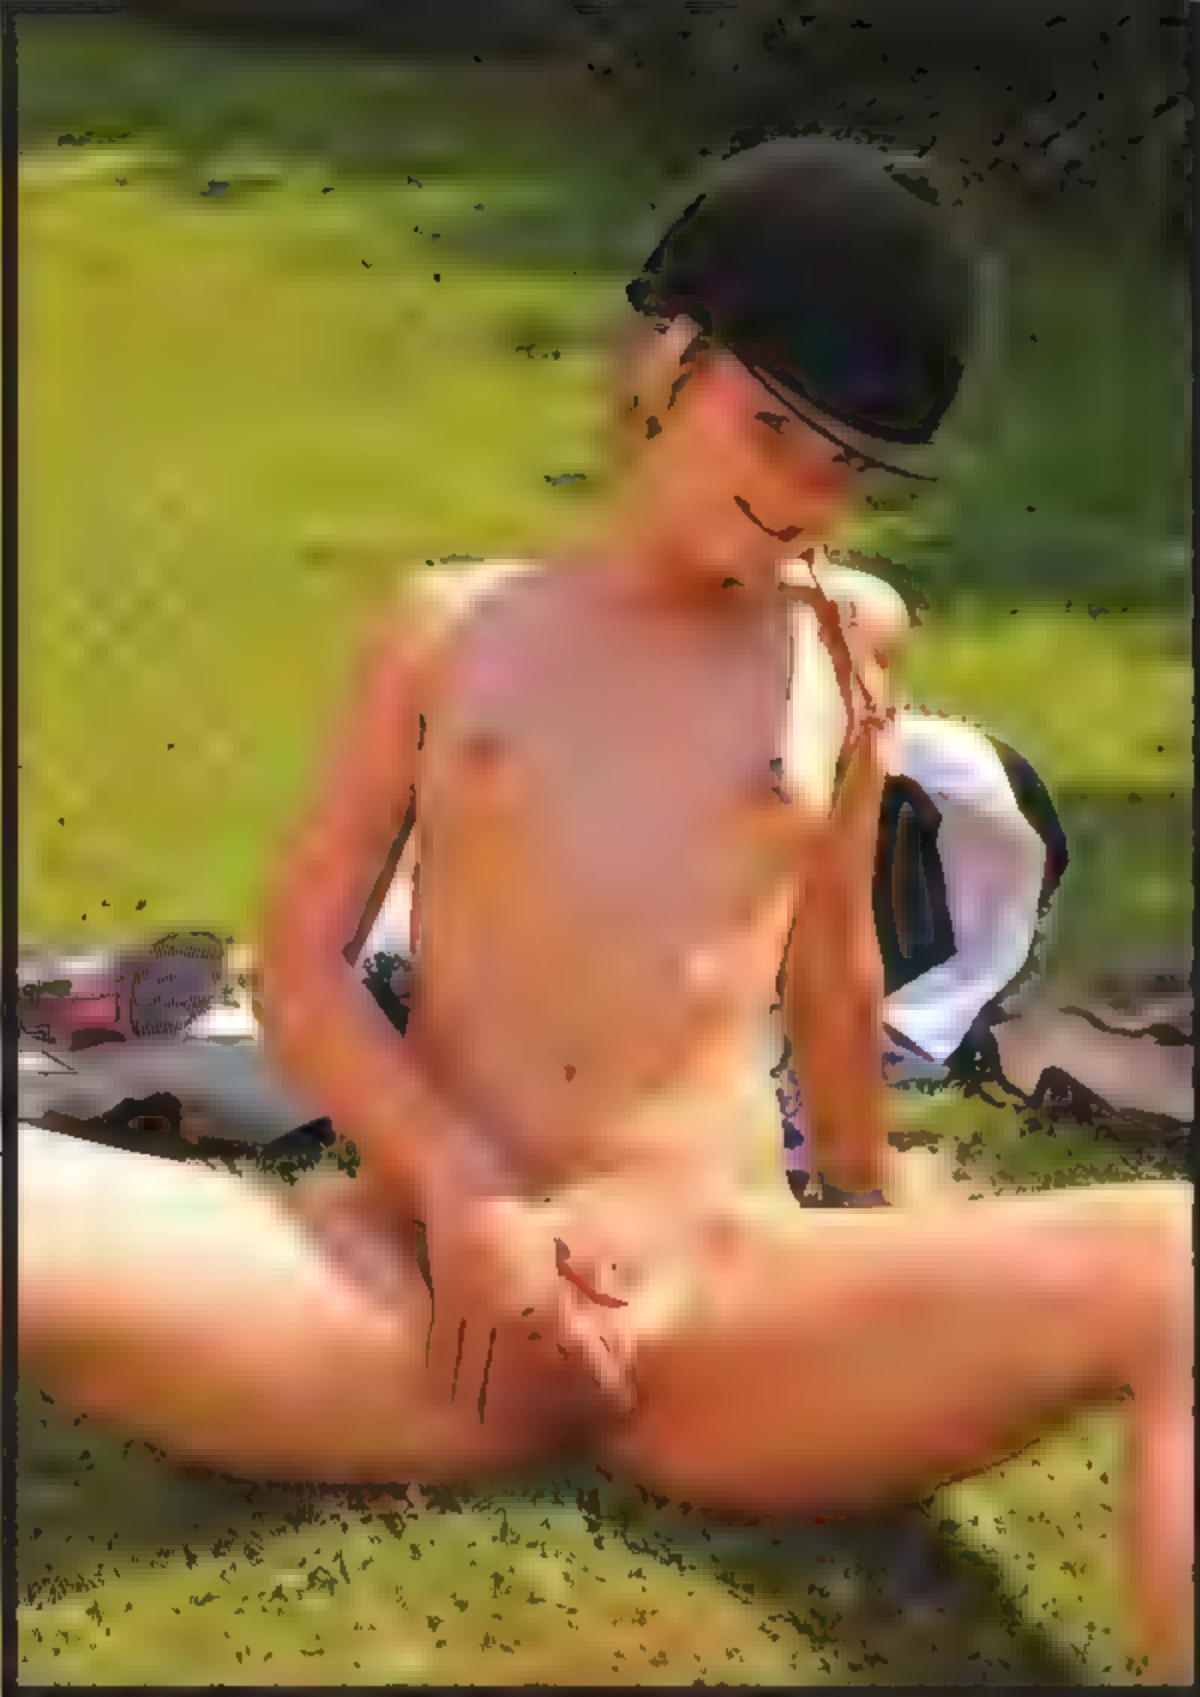

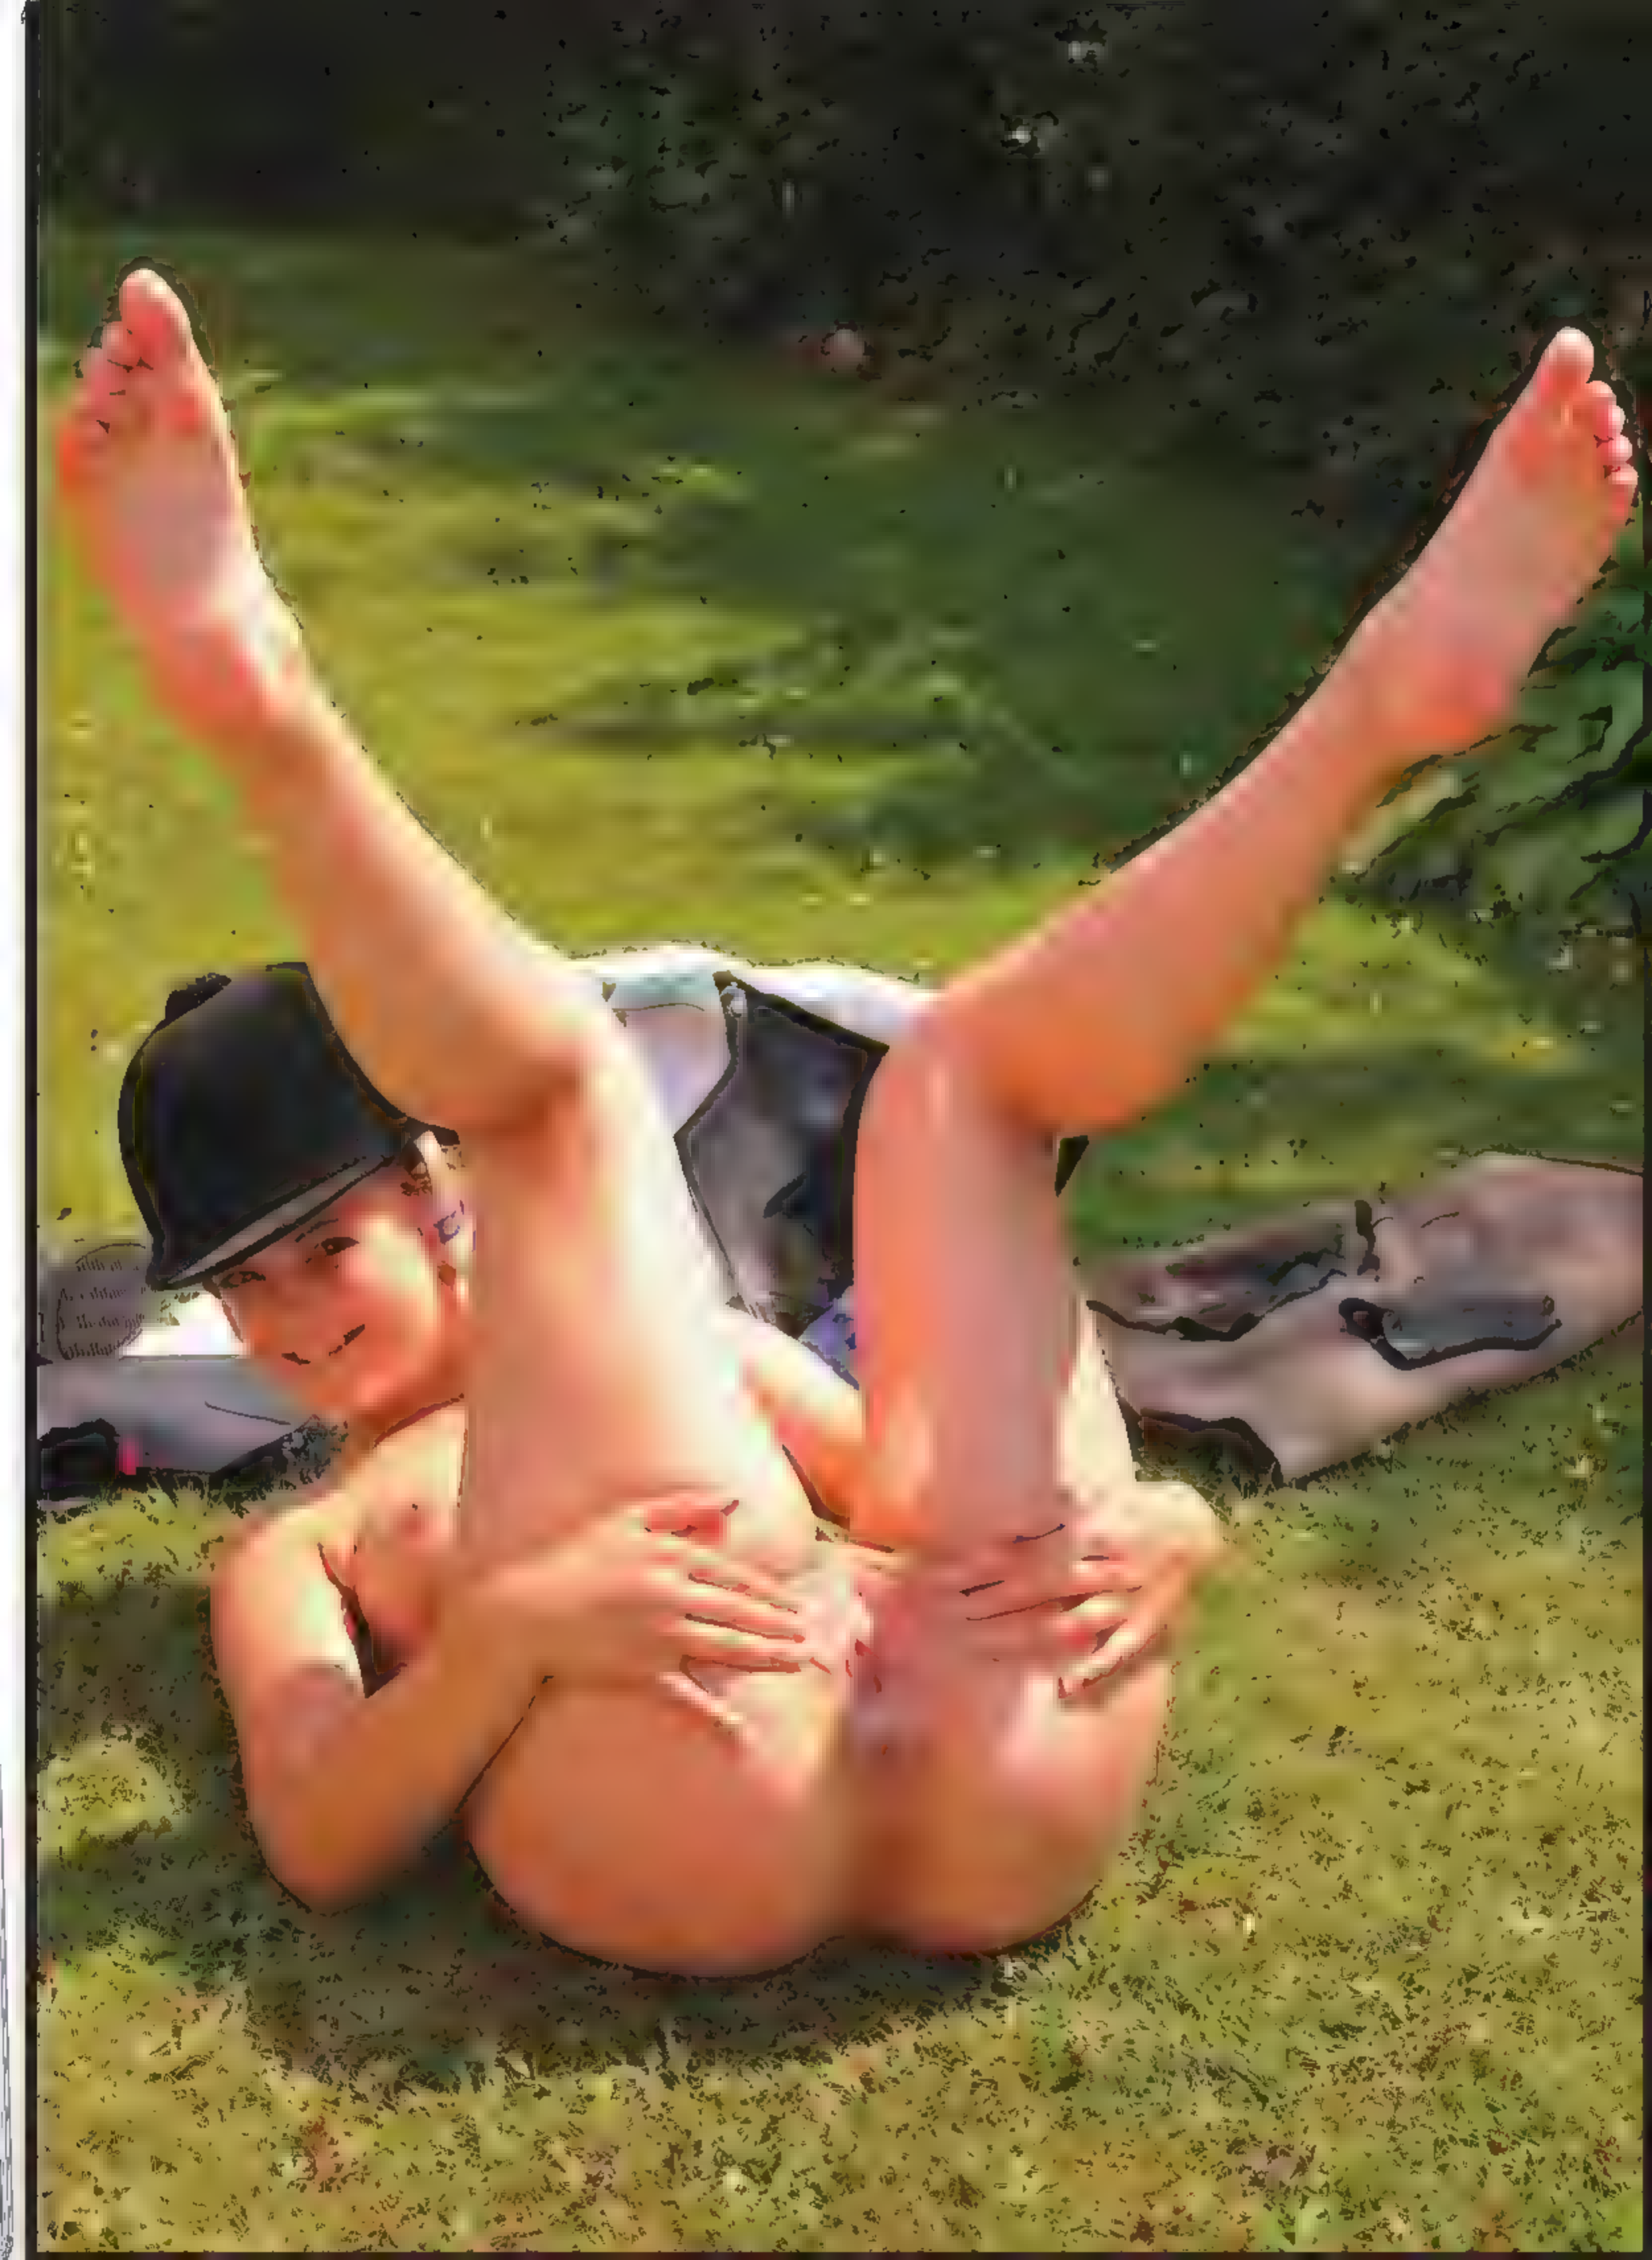

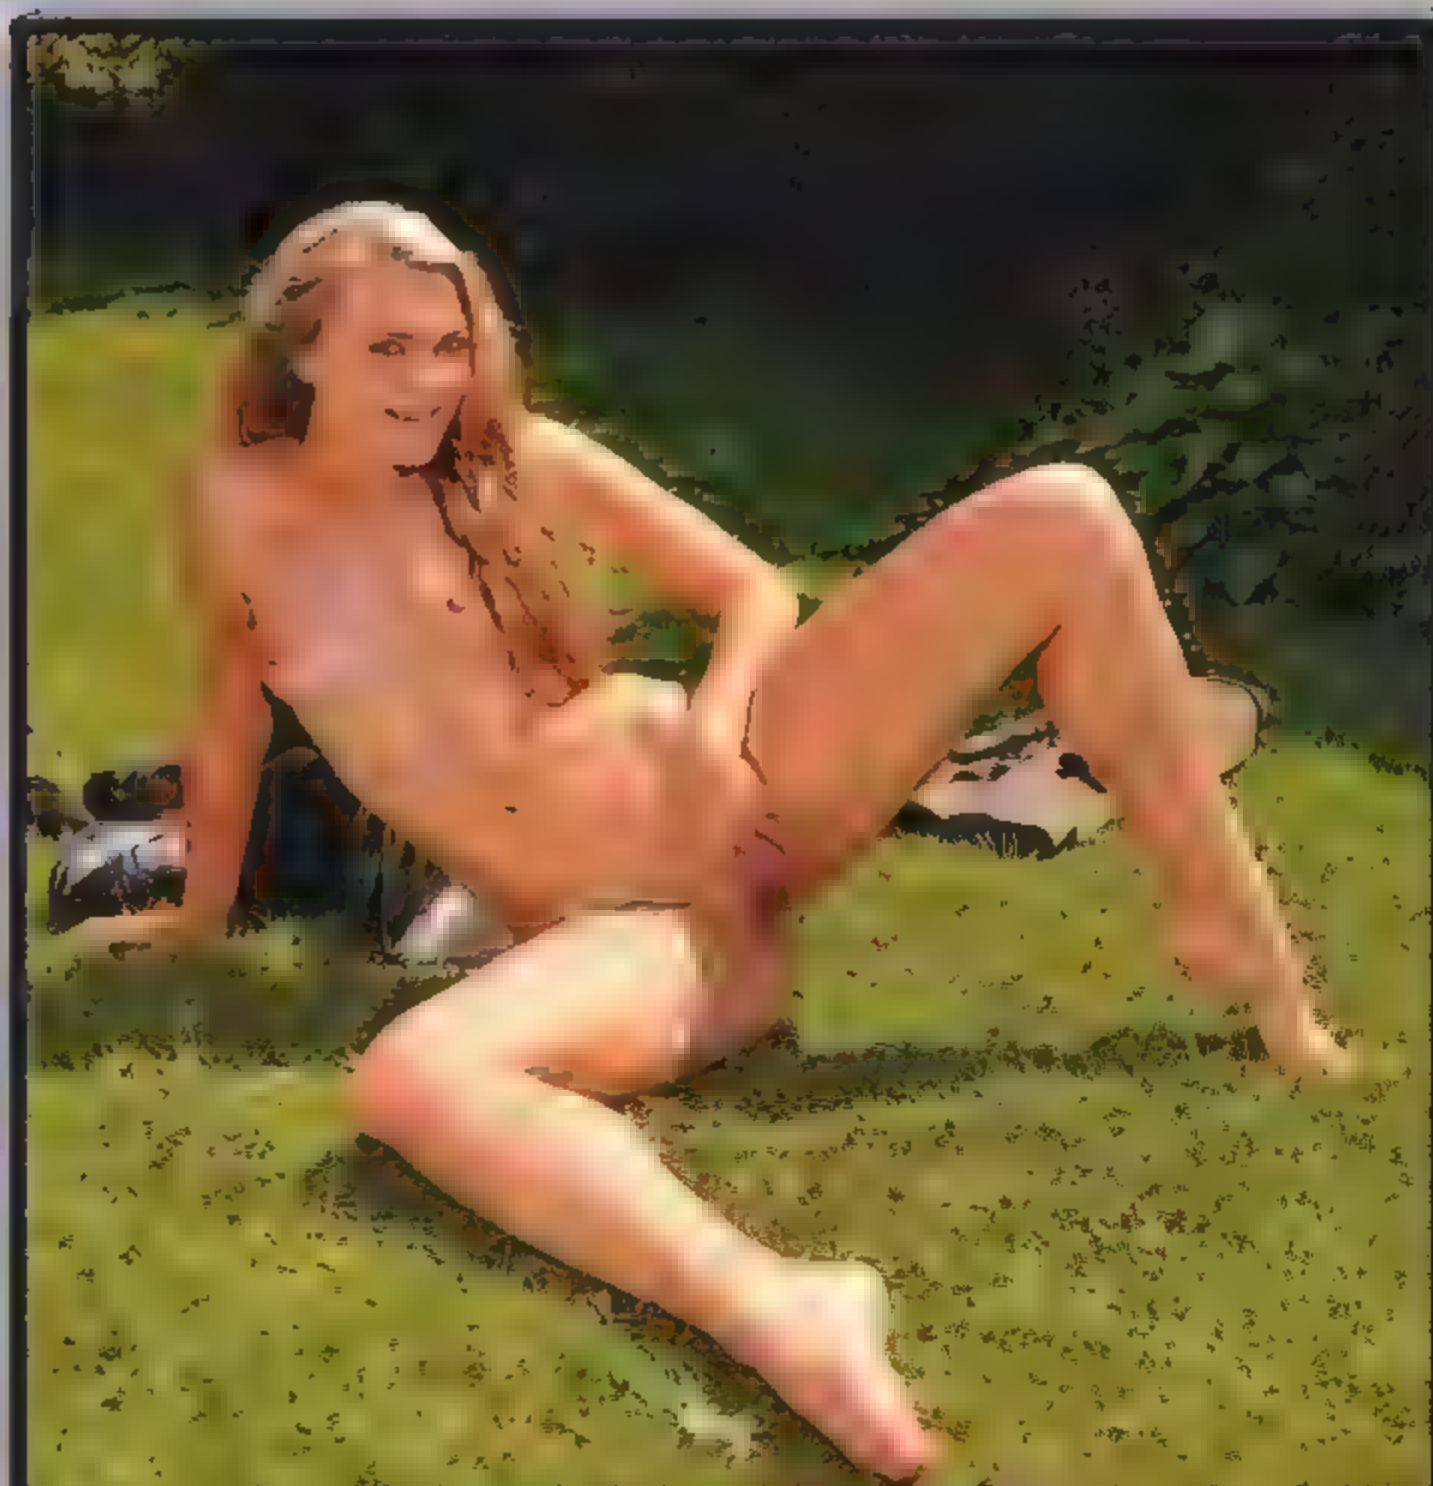

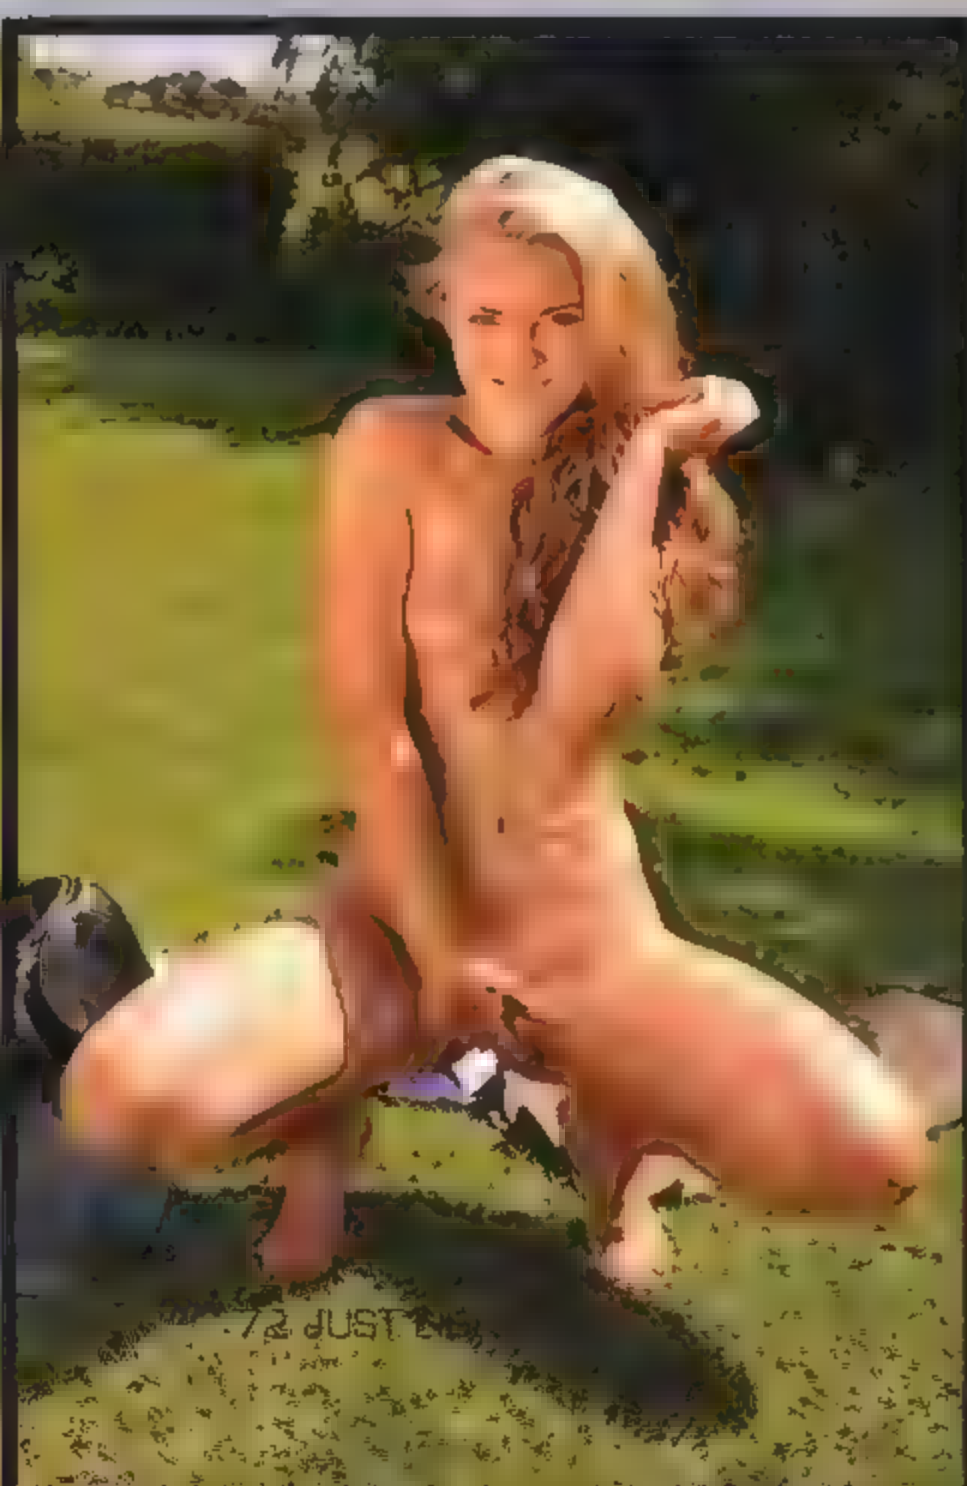

Horseback riding is one of my all-time favorite activities. To sit astride a big, powerful animal is the best feeling in the whole world. It makes me feel really sexy, you know? Maybe that's why I always insist on being on top whenever I make love. If you ever catch me masturbating you can be sure I'm fantasizing about riding a baloney pony. I like to rub my clit and think how good it feels to spread my thighs wide and mount my man. I imagine easing myself nice and slow along the length of his shaft, clenching and relaxing my vage muscles so he can feel my clam inching ever-closer to his balls. Then when I've taken him as deep inside me as I can I begin to move my hips, bucking and thrusting myself to climax. After I cum it's his turn, and I hop off so he can bust a nut in my mouth. Mmmm, I can taste it now. 🍆

I've got to say that one of the very best things about having awesome tits is that I never have to wear make up. I mean, it's not like anyone ever looks at my face—even other chicks can't tear their eyes away from my chest. And guys? Forget it. They, like, zero in on my knockers and their eyes light up like "game on." Whatever, I'm down. I don't mind that guys are obsessed with my melons because I love having sex. Yeah, sure, sometimes I worry that the guy I'm with doesn't respect me as a whole person and blah blah, but then he slides his cock up my butt and I forget about everything else because it feels so good. Life would be such a bummer if I had to worry about being funny and interesting in order to get a guy to bone me. Instead I just hike up my shirt and let my girls do the work. 🍑

VANDERSSA

Nobody understands what it's like to be me, how tricky life is thanks to my voracious appetite. There are plenty of days where I wake up and wonder, "Will I ever feel sexually satisfied? Can my cock keep up with my sunny?" I have this one fuck buddy, John, who fucks me almost as often as I do but even he needs a rest every now and again. And me? I'm a 24/7 machine, I'm on my arse 24/7 and my asshole yearns to gape round the clock. So I bought myself this little something penis-shaped to play with when John is out of submission. It's made of soft, squishy material and it's pecked up to whatever size suits me. I jam it into either my slit or my asshole and it'll swell up and I'm all stretched out. I'm only happy when my pussy is wide open.

Dang, she's
